NZPAC – Schedule rectification for March Week 11/12 Sailings

Dear Valued Customer,

We regret to advise that due to bad weather in Fiji and subsequent port congestion, the Neptune Matua 2607 has incurred delays and will not be able to make her scheduled window in Tauranga. However, we do not expect any changes to the Capitaine Tasman 2608 and Capitaine Tupaia 2609 schedules.

To rectify the schedule for the Neptune Matua:

- **Neptune Matua 2610** will call Multi-cargo wharf in Auckland, omit Suva and Pago Pago. All cargo to Suva will be transferred to the Capitaine Tasman 2611.
- **Capitaine Tasman 2611** will call Pago Pago instead of Nukualofa
- **Capitaine Tupaia 2612** will call Nukualofa instead on Pago Pago.

The updates will be reflected in our published schedules this week:
