New Zealand Terminal Handling Charge Increase Effective 01 August 2026

Dear Valued Customer,

Please be advised that due to recent cargo handling rate increases by New Zealand ports, we have increased our New Zealand import and export charges, effective from 01 August 2026.

The revised rates are as follows:

| Charge | Curr. | 20 Dry | 40 Dry | 20 Reefer | 40 Reefer | Breakbulk |
|---------------------------------|-------|--------|--------|-----------|-----------|-----------|
| Export Terminal Handling Charge | NZD | 499 | 642 | 597 | 735 | 28.35 |
| Import Terminal Handling Charge | NZD | 499 | 642 | 597 | 735 | 28.35 |

Thank you for your continued support. Should you have any further questions please contact your Neptune Pacific representative.

Sincerely,

Neptune Pacific
