USA Terminal Handling Charge Increase

Dear Valued Customer,

Please be advised that our USA Terminal Handling Charges will be increasing effective July 1, 2026.

This adjustment reflects the increase in cargo handling costs charged by the ports and is necessary to continue delivering a high level of service and reliability.

The revised rates are as follows and will apply to both imports and exports:

Charge	Currency	20Dry	40Dry	20Reefer	40Reefer
USA Terminal Handling Charge	USD	440	680	490	730

We appreciate your continued support and understanding. Should you have any questions regarding this update, please contact your Neptune Pacific representative.

Sincerely,

Neptune Pacific
