NZPAC Service – Upcoming changes to schedule for July & August

Dear Valued Customer,

Please be advised that as we prepare to resume our normal NZPAC service rotation with our Capitaine Tupaia, Capitaine Tasman and Neptune Matua vessels in September, we need to adjust our **NZPAC schedule for July and August**.

Our NPD L Tahiti was temporarily deployed to our NZPAC service (replacing Capitaine Tupaia) and now needs to undergo maintenance before returning to our AUSPAC service.

Due to the maintenance required, we have implemented the following operational changes:

- **NPD L Tahiti Voyage 2627** will now berth in Auckland on **29 July 2026** to complete cargo operations and then depart on **6 August 2026** – delaying departure by one week.
- Perishable goods, medical supplies, and Fiji transshipment cargo booked on the **NPD L Tahiti 2627** will be transferred to our **Capitaine Tasman 2628**. Our customer service team will be in touch with impacted customers.

The updated schedule for our NZPAC service is as follows:

Vessel (ETA)	TRG	AKL	SUV	LTK	APW	PPG	TBU	TRG
Capitaine Tasman 2628	27-Jul	29-Jul	03-Aug	05-Aug	10-Aug	11-Aug	18-Aug	24-Aug
NPD L Tahiti 2627	28-Jul	29-Jul to 06-Aug*	10-Aug	12-Aug	-	-	-	17-Aug
Neptune Matua 2630	10-Aug	12-Aug	17-Aug	19-Aug	23-Aug	23-Aug	-	31-Aug
NPD L Tahiti 2629	17-Aug	19-Aug	24-Aug	26-Aug	-	-	-	TBC**

*ETD for NPD L Tahiti 2627 in Auckland.

**AUSPAC phase-in rotation to be confirmed.

We understand these adjustments may impact your planning and apologise for any inconvenience caused.

Thank you for your continued support and understanding. Should you have any further questions or queries, please contact your Neptune Pacific representative.

Sincerely,

Neptune Pacific
