AUSPAC – NPD L Tahiti 2610S/2612N Schedule Rectification

Dear Valued Customer,

We regret to advise that the NPD L Tahiti is behind schedule due to technical issues encountered during Voyage 2610S and will not meet planned berthing windows in Melbourne and Sydney.

The following steps are being made to recover the schedule:

- **NPD L Tahiti 2610S will omit Vanuatu** – our customer service teams have reached out to the affected customers to organise alternative arrangements for cargo.
- **NPD L Tahiti 2612N will omit Sydney and Melbourne** and only call Brisbane and will then perform the normal rotation of Noumea – Fiji – Vanuatu.

Please find the updated schedule for Voyage 2612 below:

Vessel (ETA)	SYD/MEL	BNE	NOU	LTK	SUV	SAN	VLI
NPD L Tahiti 2612	OMIT	26-May	3-Jun	6-Jun	7-Jun	11-Jun	12-Jun

We have then made the following alternative arrangements for Melbourne and Sydney exports:

- Exports to New Caledonia and Port Vila, Vanuatu will be transferred to the Takutai Chief 2613.
