### **Removal of Auckland Congestion – Asia / Latin America / Middle East / Africa to South Pacific Islands**

Dear Valued Customers,

Operational challenges at Ports of Auckland container terminals have continued to improve.

NPDL are pleased to share that effective 13<sup>th</sup> June (shipped on board date), the Auckland congestion surcharge for all cargo from Asia / Latin America / Middle East / Africa transhipping via Auckland will be removed.

The Auckland congestion surcharge for cargo from Australia and New Zealand via Auckland to the South Pacific Islands will continue to be implemented. We continue to monitor the impacts of congestion on our South Pacific network and will communicate any surcharge changes when appropriate.

Thank you for your continued support, should you have any further questions or queries please contact your NPDL representative.

Sincerely,

**NPDL**
