Capitaine Magellan v10

Dear Valued Customers,

We regret to advise you that the Capitaine Magellan has experienced unexpected issues with her generator in Fiji.

Our technical team are working tirelessly to address the problem. At this stage we expect, depending on availability of spare parts in Fiji repairs to take a further 2 days which will put the vessels estimated departure Suva on Monday 8th of November after completing cargo operations and her ETA in Port Vila as 11th of November.

We will update on progress on Monday morning.

Yours sincerely,

NPD L
