Schedule Update – Capitaine Tupaia and Capitaine Wallis

Dear Valued Customers,

Further to previous notices please see the following amendments to Capitaine Tupaia and Capitaine Wallis voyages.

Tupaia v1

The Capitaine Tupaia's scheduled departure from Auckland had been delayed due to technical issues, whilst the issue has been quickly resolved the cargo berth is not available until the **23rd of September**. She will sail from Auckland on the **25th of September** and her revised ETA into Papeete is **3rd of October**.

Wallis v392

The Capitaine Wallis is currently in Dry Dock in Asia, completion of her work has regrettably been delayed by the yard and therefore her return to our network has subsequently been pushed back. Her revised ETA in Lautoka for commencement of voyage 392 is the **24th of October**.

We appreciate your patience with the amendments, should you have any further queries please contact your NPDL representative.

Sincerely,

NPDL
