Validity of Customer-Specific Rates – Asia to Pacific Islands

Dear Valued Customers,

To remain agile to market conditions, NPD will be proactively sending freight rates to customers a month in advance for all Asia to Pacific Island corridors. This ensures customers have the latest, competitive rates on file to move their cargoes.

Any current rate agreements, outside of tender negotiations, will expire on 30 June 2022. Rates valid 1-July to 31-July will be sent directly to customers that are moving cargo today. If you do not receive these rate sheets, please contact your NPD representative.

Thank you for your continued support.

Sincerely,

NPD
