Fiji Container Hire Update – Fiji Imports

Dear Valued Customers,

To better improve the turn-time of our containers and to ensure timely, quality supply of containers for our customers, we have reviewed the Fiji import container hire terms.

NPDL continue to face sustained demand for containers. We continue to invest in new units to grow our container fleet and ensure organic growth within the South Pacific Islands. However, with global supply chain issues including congested terminals and manufacturing delays, equipment supply remains tight.

The below container hire terms and charges will take effect **1 July 2022**:

Days	Charge	20' GP/FR/OT	40' GP/FR/OT
1-10 days	-	No Charge	No Charge
11-20 days	FJD/day	35	70
21 days onwards	FJD/day	70	140

Days	Charge	20' RF	40' RF
1-5 days	-	No Charge	No Charge
6-15 days	FJD/day	100	200
16 days onwards	FJD/day	200	400

We encourage our customers to ensure timely unstuffing of units and empty return to our depots. Our local team stand ready to assist you in providing supply chain solutions.

Thank you for your continued support. Should you have any further questions or queries, please contact your NPDL representative.

Sincerely,

NPDL
